Section 1 – Introduction

This directory provides a list of Summit Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Provider** (PCP). The term "PCP" will be used throughout this directory. A list of network PCPs can be found in the "Primary Care Physicians & Provider" section of this directory. If you have questions about selecting a PCP or if you would like to change your PCP selection, call our Customer Service at 844-827-2355 (TTY users should call 711). Hours are 7 a.m.– 8 p.m. (Pacific Time), seven days a week October 1 – March 31 (closed on Thanksgiving and Christmas), and weekdays April 1 – September 30. Your call will be handled by our automated phone systems outside business hours.

Generally, you must get your health care coverage from your PCP. If your PCP determines that specialty care is medically necessary, they can coordinate access to a specialist. Your plan does not require referrals from your PCP to see a specialist. Additionally, some medical services are covered only if your provider gets prior authorization (approval in advance) from our plan. Prior authorizations from your PCP are not required for emergency care or urgently needed care. There are some other kinds of care you can get without approval in advance from your PCP. Covered services that require prior authorization are listed in Chapter 4 of your *Evidence of Coverage* booklet.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Other physicians/providers are available in our network. If you would like a list of providers available in other counties that are not included in this directory you can visit www.yoursummithealth.com or call our Customer Service department.

Out-of-network providers are under no obligation to treat Summit Health Medicare Advantage Plans' enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 844-827-2355 (TTY users should call 711), from 7 a.m. to 8 p.m., Pacific Time, seven days a week from October 1 through March 31 with the exception of Thanksgiving Day and Christmas Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays.) You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

How to get care from out-of-network providers

As a member of our plan, you may choose to receive some care from out-of-network providers through our plan's Point-of-Service (POS) benefit. However, please note that providers who do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and medically necessary. **However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.**

When you receive care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. (Your share of the cost may be higher for an out-of-network Medicare provider than for a network provider.) You should ask the provider to bill the plan for our share of the cost.

If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.

At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.

If the provider is owed anything, we will pay the provider directly.

If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost. Mail your request for payment together with any bills or receipts to us at this address:

Summit Health Plan, Inc.
Attn: Claims
P.O. Box 820070
Portland OR 97282

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

What is the service area for Summit Health Medicare Advantage Plans?

The counties in our service area are listed below:

Summit Health HMO-POS: Baker, Gilliam, Grant, Harney, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler counties in Oregon.

If you have questions about Summit Health Medicare Advantage Plans, please call our Customer Service at 844-827-2355 (TTY users should call 711). Hours are 7 a.m. to 8 p.m., Pacific Time, seven days a week from October 1 through March 31 with the exception of Thanksgiving Day and Christmas Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays.)

How to get covered services when you have an emergency

What is a “medical emergency” and what should you do if you have one?

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Summit Health Healthcare Services at 844-931-1778 or fax the information to 855-637-2666. Summit Health Healthcare Services hours of operation are from 7 a.m. to 4:30 p.m. Pacific Time, Monday through Friday. (TTY users call 711.)

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, refer to your Evidence of Coverage.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

How do you find Summit Health Plan providers in your area?

Our provider directory lists Urgent Care Centers on page 11 and Hospitals start on page 12. Primary Care Physicians & Providers are listed in alphabetical order by State, City, then Specialty and Name (see page 18 for the beginning of this section). Specialists are listed by specialty. Each Specialty then lists providers in alphabetical order by State, City, and Name (see page 81 for the beginning of this section). To find other types of providers look in the Table of Contents, then find the type of provider. For an alphabetical index of providers see page 252 for the beginning of this section.

If you have questions about Summit Health Plan or require assistance in selecting a PCP, please call our Customer Service at 844-827-2355 (TTY users should call 711). Hours are 7 a.m.– 8 p.m. (Pacific Time), seven days a week October 1 – March 31 (closed on Thanksgiving and Christmas), and weekdays April 1 – September 30. Your call will be handled by our automated phone systems outside business hours.

What services will your provider need to get prior authorization from the plan?

Prior authorization is approval in advance to get services. Some in-network medical services are covered only if your provider gets prior authorization from our plan. You do not need prior authorization to obtain emergency services. Covered services that need prior authorization are listed in Chapter 4 of your Evidence of Coverage document.

Important documents for your Medicare Advantage plan

The documents below describe your benefits and coverage rules. Here's how you can **access them online**:

Evidence of Coverage (EOC)

The EOC tells you what is covered, what you pay as a member of the plan, what the plan's rules are and what services are available to you. Every year, we post the following year's EOC online by October 15th at:

yoursummithealth.com/medicarematerials

Provider and Pharmacy Directories

Directories list in-network providers and pharmacies available to you.

Visit yoursummithealth.com/findcare to access the online searchable directory. PDF versions are also available on yoursummithealth.com.

List of Covered Drugs (Formulary)

The Formulary tells which Part D prescription drugs are covered under the Part D benefit on your plan. The formulary is posted online:

yoursummithealth.com/covereddrugs

You can view your plan documents by logging into your Member Dashboard account at yoursummithealth.com/memberdashboard

If you would like any of these documents mailed to you, contact Customer Service at 844-827-2355 or email MedicalMedicare@yoursummithealth.com.
